

The Great Smoky Mountains

With sixteen peaks over 6,000 feet and more than a half-million acres of pristine primitive wilderness, the Great Smoky Mountains National Park is the nation's most-visited national parks. Clingmans Dome, the highest point in the Smokies, and Cades Cove are the most popular landmarks.

In addition to enjoying the beautiful Smoky Mountains & relaxing at The Cubby Den, there are many fun and exciting attractions in the area. Dinner theaters are abound in the Great Smoky Mountains for those who enjoy musical shows of all varieties. From Gospel music to Elvis impersonators to comedy shows, visitors will have all of their entertainment needs met in the mountains of East Tennessee.

The popular theme park, Dollywood and Dolly Splash Country, is only minutes away. Among the attractions available, visitors will find rides, food, music, & live entertainment.

Gatlinburg offers the newly constructed Ripley's Aquarium of the Smokies and Ober Gatlinburg Ski Resort. Regardless of age, people who come to this beautiful region will find something to enjoy as they pass time in the relaxing, yet fun-packed towns spread throughout the magnificent mountains.
